

June 2, 2014  
To Whom It May Concern:

I am Alicia Sansing a special education teacher for the Twin Rivers Unified School District at Foothill High School. I have worked with Marilyn Henrie since 2011, where she is a paraeducator in the moderate/severe Independent Living Skills program at Foothill High. Marilyn is dependable, hard-working and genuinely cares about her job.

While working at Foothill Marilyn has supported special education students in general education classes, modified their work and helped the classroom teacher and case manager make accommodations for students. Marilyn works with students in small group settings, designing lesson plans, carrying out lessons and communicating students' growth and areas of need with the classroom teacher.

Marilyn is ABA trained and carries out behavioral intervention plans/positive behavior supports for students, giving frequent feedback to the case manager when behavioral supports are working or need tweaking. She has supported students who need behavioral supports in the Special Day Classroom, general education classroom and in the community.

Marilyn is an asset to the Independent Living Skills Programs at Foothill High School. She is a joy to work with and will be a benefit to any community she has to opportunity to work for.

Yours Sincerely,

A handwritten signature in black ink that reads "Alicia Sansing".
